Option 2:

Locate the course you completed using the name search option below. Start a search by entering the name of your R.E.P. provider/PMI component and click "Find Provider". *NOTE: R.E.P.s have the ability to prevent their course information from appearing in these search results to maintain their client confidentiality. Participation in these "hidden" courses must be reported using the course number method in **Option 1**.*

This is a keyword search. Try using the most unique word in your provider's name if you are unable to locate them initially. For example: To locate your PMI Chapter's name try searching only for "chapter". This will retrieve all names including "Chapter" from which you will be able to select the correct one. The same method can be used to easily find a PMI Specific Interest Group (SIG), search using only "sig".
